

Customer Pricing

You can now view **Customer Specific Pricing** online.

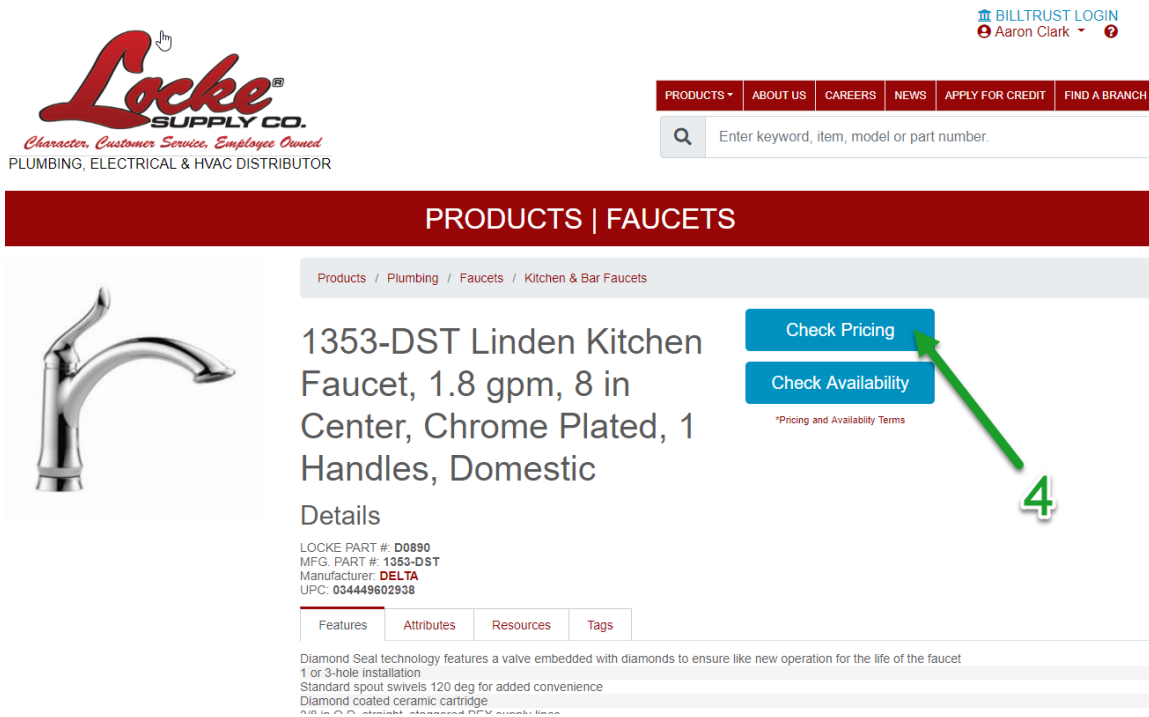

1. Click the **WEBSITE LOGIN** link  **BILLTRUST LOGIN**  in the upper right corner of the page to login. If you don't have an account, you can click the **Register** button to create one.

2. Navigate to a product by searching for a part number, keyword, or use the dropdown to search by category or manufacturer.
3. You must have a branch selected to enable the Check Pricing feature. If you don't see the **Check Pricing** button, click **Set My Branch** to set your local branch.

4. Click the **Check Pricing** button to see your price for the product.

The screenshot shows the Locke Supply Co. website interface. At the top left is the company logo with the tagline "Character. Customer Service. Employee Owned." and "PLUMBING, ELECTRICAL & HVAC DISTRIBUTOR". To the right is a "BILLTRUST LOGIN" for "Aaron Clark". A navigation bar includes "PRODUCTS", "ABOUT US", "CAREERS", "NEWS", "APPLY FOR CREDIT", and "FIND A BRANCH". A search bar prompts the user to "Enter keyword, item, model or part number." Below this is a red banner for "PRODUCTS | FAUCETS". The breadcrumb trail reads "Products / Plumbing / Faucets / Kitchen & Bar Faucets". The product image is a chrome kitchen faucet. The title is "1353-DST Linden Kitchen Faucet, 1.8 gpm, 8 in Center, Chrome Plated, 1 Handles, Domestic". Two buttons are visible: "Check Pricing" and "Check Availability". A green arrow points to the "Check Pricing" button, which has a green "4" next to it. Below the buttons is a link for "*Pricing and Availability Terms". The "Details" section includes: "LOCKE PART #: D0890", "MFG. PART #: 1353-DST", "Manufacturer: DELTA", and "UPC: 034449602938". A tabbed interface shows "Features", "Attributes", "Resources", and "Tags". The "Features" tab is active, listing: "Diamond Seal technology features a valve embedded with diamonds to ensure like new operation for the life of the faucet", "1 or 3-hole installation", "Standard spout swivels 120 deg for added convenience", and "Diamond coated ceramic cartridge".
